Putting  
People First™

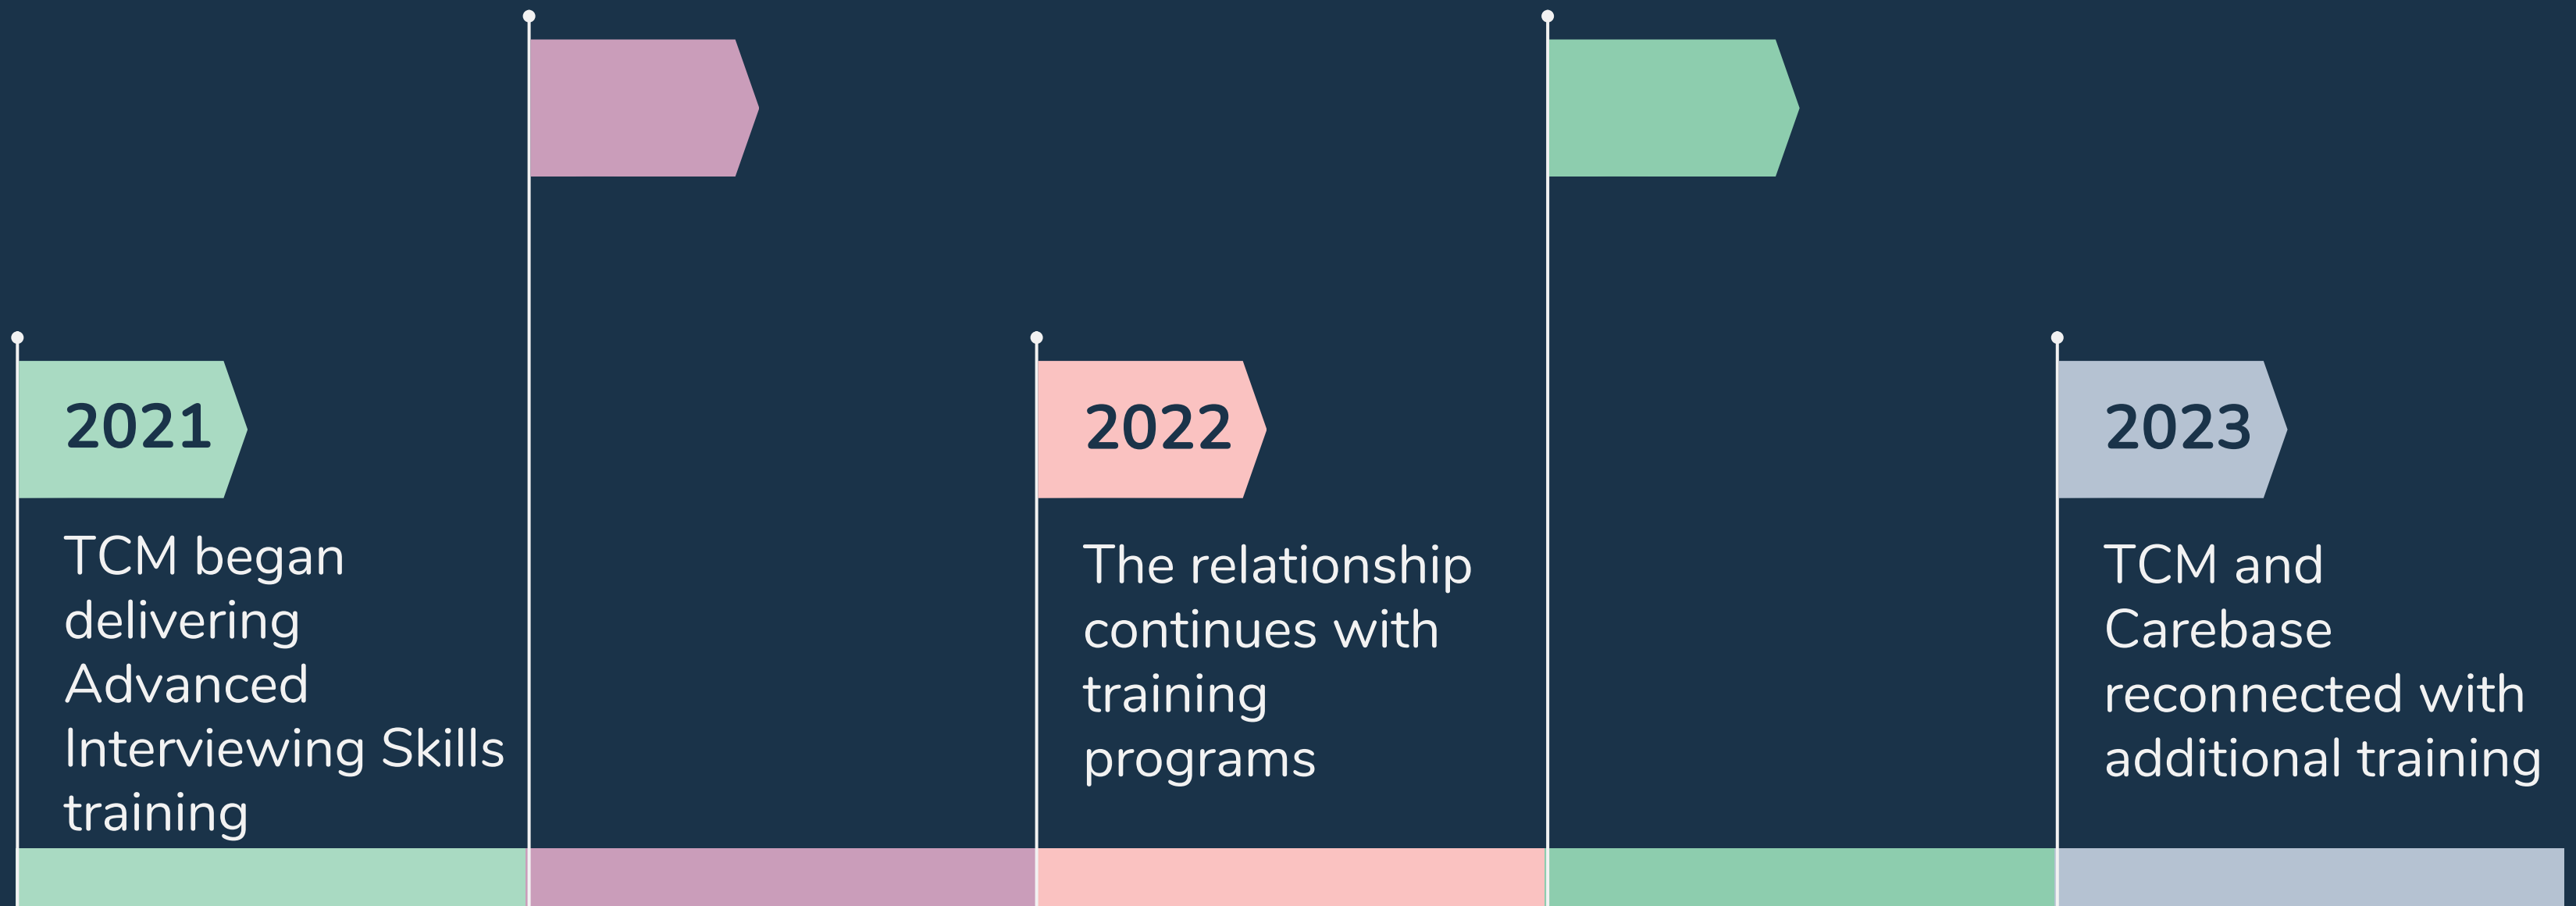

# Customer of the Week

Sharon McCarthy &  
Paola Barone  
Carebase

Let's begin

# The story

# Passionate about people

We have supported Carebase with their advanced interviewing skills training over the past couple of years, and we have been delighted to reconnect with Sharon to deliver their recent sessions.

Sharon and Paola have been very helpful in setting these up, and are passionate about providing really worthwhile training for their teams.

We look forward to the prospect of working with Carebase in future.
